BIG BAD BREAKFAST IS NOT YOUR AVERAGE BREAKFAST JOINT. IN FACT, IT'S NOT JUST FOR BREAKFAST.

Welcome to Big Bad Breakfast, passion project of James Beard award-winning chef John Currence. At Big Bad Breakfast we are serious about delivering the “most important meal of the day.” The original store, in Oxford, Mississippi, opened in 2008 as a result of Currence’s desire to apply the same principles to the breakfast meal that were seemingly relegated to only lunch and dinner in restaurants across our great country.

What we offer are the finest ingredients we can source as locally as possible and deliver a chef’s version of a fully “from scratch” breakfast. It is our intention to carry folks to a unique moment in their lives when we gathered around the breakfast table together to begin the day. Whether it is our daily-made jellies and jams, the custom roasted and blended “joe” Chef Currence makes with Royal Cup Coffee, the lovingly-ground grits from Grit Girl, our specially cured and smoked bacon from our slaughterhouse in North Alabama or the fluffy, buttermilk biscuits being kneaded and cut throughout service, every bit of our experience is meant to bring you the best breakfast you have had since you last sat at your grandmother’s breakfast table.

We are proud of what we do and equally happy you have chosen to join us for a meal. Hope you enjoy and that you’ll be back soon. Please visit our other Big Bad Breakfast locations in Oxford, MS, Birmingham, AL, Nashville, TN, Inlet Beach, FL and Charleston, SC.

Have a killer day!
